

10th Annual Active San Mateo County Conference

Migrating Through Change

Hosted by San Mateo County Supervisor Carole Groom

Friday, March 29, 2019

8:30 a.m.—12:30 p.m.

Belmont Library

1110 Alameda de las Pulgas, Belmont

MIGRATING THROUGH CHANGE will explore how five major migrations that touch San Mateo County are being impacted by climate change, human behaviors and technology. Learn how simple steps that you can take will help preserve these migratory routes.

Distinguished Speakers include:

Allen Fish, Director, Golden Gate Raptor Observatory

Jim Harvey, Director, Moss Landing Marine Laboratories

Angela Laws, Monarch and Pollinator Ecologist, Xerces Society

Steve Lindley, Fisheries Ecology Division Director, NOAA Southwest Fisheries Science Center

Arthur Shapiro, Distinguished Professor, UC Davis Department of Evolution and Ecology

RSVP by March 26th to scastoria@smcgov.org

Registration & Breakfast at 8:30 a.m. Program begins at 9:00 a.m. Seating limited.
