

Succeeding with Pollinator Plantings: the Bees, the Bugs, and the Basics

Friday, September 20th
10:00AM - 12:00PM
Hooker Family Farm
195 Pleasant St., Oxford, ME

Learn about the pollinators and beneficial insects helping to make our food systems work. Eric Venturini of the Xerces Society of Invertebrate Conservation will cover the basics of who is who in the pollinator world, why we should care, and the status of these insects.

Registration Fee: \$10/Farm or Family

**For Registration Please Contact: Jean Federico at
207.744.3119 or email at oxfordcountyswcd@gmail.com**

In case of inclement weather, please call 207.744.3119 to find out if the workshop is still occurring. If you are a person with a disability and need an accommodation to participate in this program, please call Rebecca Long at 207.743-6329 or 1.800.287.1482 (in Maine) to discuss your needs.

Receiving requests for accommodations at least 10 days before the program provides a reasonable amount of time to meet the request, however, all requests will be considered.
